23. CARD FILES (Continued)	b. Project Production Record Daily account of all projects while in process in St/P. Records when the job is completed by Printing Services Division.	Temporary. Destroy when no longer needed for reference purposes.
24. REQUIREMENTS FILES	Individual folders maintained for each requirement that is written, along with all of the material relating to the requirement. Filed in numerical order.	Temporary. Screen semi-annually and destroy when action on requirement is completed.
25. DIVISION AND BRANCH PRODUCTION FILES	These files accumulate in the processing and coordination of Division and Branch contributions to finished intelligence publications such as NIE, SNIE, and NIS. Files consist of production directives, project initiation sheets, project status cards, correspondence, status reports, and copies of Division and Branch contributions. Files also contain copies of finished publications. Maintained for reference purposes.	Temporary. Destroy when obsolete, or no longer needed for reference purposes except material needed for future use to be transferred to the Records Center for two years and then destroyed.
26. REFERENCE PUBLICATIONS FILE	These files consist of classified, and unclassified publications received from various sources and used for reference purposes.	Temporary. Destroy when obsolete, superseded, or no longer needed for reference purposes, except that material determined to have future value may be sent to the Records Center for two years and destroyed.
